Important Information Concerning Chinese Drywall

September 23, 2009

Dear Lee County Property Owner:

You are receiving this Revised Notice of Proposed Property Taxes (TRIM) because you reported and forwarded to our Office documentation to support that your property has been affected by Chinese Drywall. We have reviewed your supporting documentation and agree that your property meets the Florida Department of Health's (DOH) case definition (<http://www.doh.state.fl.us/environment/community/indoor-air/inspections.html>) of a property affected by Chinese Drywall.

We have reduced the **Market Value** of your property by 50% based upon that information. Please review your revised TRIM Notice carefully and if you have any questions, feel free to contact our Office. For additional information and updates, please visit our website, www.leepa.org.

Sincerely,

A handwritten signature in black ink, appearing to read "K. M. Wilkinson".
