## **Important Information Concerning Chinese Drywall**

### **You Must Respond To This Notice In Order To Receive the Chinese Drywall Value Reduction**

September 23, 2009

Dear Lee County Property Owner:

You are receiving this Revised Notice of Proposed Property Taxes (TRIM) because you reported that your property has been affected by Chinese Drywall. PLEASE NOTE: The value on your property HAS NOT been changed.

Based upon our records, you have not yet forwarded to our Office documentation to support your claim that your property has Chinese Drywall. In order for us to consider your claim and adjust your market value, we will need to have supporting documentation confirming that your property meets the Florida Department of Health's (DOH) case definition (<http://www.doh.state.fl.us/environment/community/indoor-air/inspections.html>) of a property affected by Chinese Drywall. Supporting documentation examples can be found on our website (<http://www.leepa.org/drywall/default.aspx>). Your documentation must be verified by either a third party inspection or by making an appointment with our Office for a field inspection.

**This documentation must be submitted and verification completed by October 19, 2009, the deadline on the bottom of your Revised Notice.**

Please contact our Office as soon as possible via email to [ChineseDrywall@leepa.org](mailto:ChineseDrywall@leepa.org) or by calling (239) 533-6293. For additional information and updates, please visit our website, [www.leepa.org](http://www.leepa.org).

Sincerely,

A handwritten signature in black ink that reads "K. M. Wilkinson".
